SPONSORSHIP OPPORTUNITIES

Show your company's support for the petroleum geosciences community by sponsoring at the **BRAZILIAN PETROLEUM CONFERENCE** September 2022, at Rio de Janeiro, Brazil.

The Brazilian Association of Petroleum Geologists (ABGP) and The Society of Petroleum Engineers - Brazilian Section (SPE) are promoting the third **BRAZILIAN PETROLEUM CONFERENCE** to be held in Rio de Janeiro, Brazil, from September 13 to 15th, 2022, in a hybrid format: presencial participants and speakers for greater interactions and those who may not come to Rio will be able to speak remotely.

The focus of this third edition will be **PRE-SALT CARBONATES** and **TURBIDITES** from mature fields to frontier areas

PRE-SALT

The Super Giant fields

G&G

Well Engineering

Production Optimization

PRM
HI-SEP

PRE-SALT

New discoveries

Life after production

CCS

Decommissioning

Digital Transformation

TURBIDITES

Mature Fields
Extending the life of the field

New opportunities

Decommissioning

SE-AL Deep Water
Fields and future opportunities

TURBIDITES

East Coast Basins
Potential for new discoveries
Namibia Analogs

Equatorial Margin
Frontier basins in
Brazil and analogs
from Guiana
Suriname and East
Africa

The main objective of this conference is the interaction of professionals in the petroleum industry and dissemination and exchange of their ideas and technical-scientific, work and research on Key issues for the petroleum industry development. Technical experts and scientific researchers from Operators, Service Companies and recognized research Institutions will attend the plenary and technical sessions.

Why to be a Sponsor?

Sponsors are essential to the success of a science-driven event like the Brazilian Petroleum Conference. Your company's contribution allows attendees and presenters alike to enjoy networking opportunities in a unique event that integrates experts on Carbonates from Genesis to production. By sponsoring **BRAZILIAN PETROLEUM CONFERENCE** your company will:

Support the next generation of geoscientists

Gain international exposure in an international conference

Be aligned as an industry supporter to a science-driven event

Enhance the total conference experience for attendees

CONFERENCE SPONSORSHIP PACKAGES

We've put together all packages to help companies make the most of their investment. Simply choose the sponsorship level that best fits your budget. Each level has an array of recognition and benefits for your company.
